

## HAIR ON HIDE

We offer two hair-on-hide leathers in our line, Serengeti and Catalina. Variation in color of these leathers is extremely common and should be viewed as part of the natural beauty of the hides.

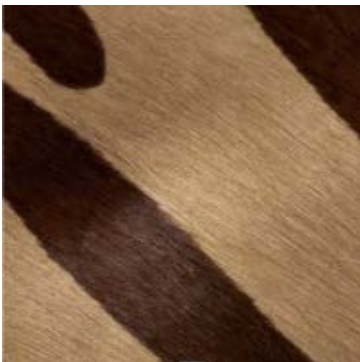

Average hide sizes:

Serengeti (35-40sq ft)

Catalina (50sq ft)

NOTE: Swatches for hair-on-hide leathers are available by request, and are not included in our sales kit.
